Dear Tammie N Edwards,

Each year Flagstar Bank reviews the escrow account to ensure the correct amounts are being collected to pay the property taxes and homeowner's insurance. In reviewing the escrow account, **we found an extra \$4,159.21 was paid.**

Quick breakdown of the Escrow review

Required Escrow Balance **\$1,462.37**

Current Escrow Balance* **\$2,021.28**

There is a surplus of \$4,159.21

*Based on all payments and disbursements due being made prior to the new payment effective date.

For more escrow related information, please reference your Bankruptcy documents filed with the court.

The information below reflects the details of our review and the new monthly mortgage payment. The **surplus** was caused by a **decrease** in the **escrowed items**.

| | | | |
|-----------|------------|------|----------|
| Taxes | \$1,003.31 | /12= | \$83.61 |

Escrow Payment \$487.45

Determining the Escrow Surplus

As allowed by the Real Estate Settlement Procedures Act (RESPA), the mortgage documents, or state law, the escrow balance should not go below two months' tax and insurance payments, which is a minimum balance of \$974.90.

The projected escrow balance in August is expected to be \$1,533.81.

Required Minimum Balance: \$974.90

Projected Balance: \$1,533.81

Escrow Surplus \$4,159.21

If the loan is contractually current, the refund check has been mailed under separate cover. If the loan is past due, a check representing the surplus in the escrow account will be issued when the loan has been paid current.

Review the Escrow Account History (08/01/21 to 09/30/21)

The items below reflect the expected activity last year and compare it with the actual payments received and disbursements made.

Last year, we anticipated that payments from the escrow account would be made during this period equaling \$5,849.42. Under federal law, the lowest monthly balance should not have exceeded \$974.90 or two (2) months of anticipated payments from the escrow account, unless the mortgage documents or state law specifies a lower amount. The actual lowest monthly balance was \$1,533.83.

What is an escrow analysis?

An escrow analysis is a review of your escrow account to determine if the current monthly escrow payment is enough to pay taxes, insurance, and other bills when due. Escrow analyses are typically run annually based on the property tax payment cycle. Occasionally, the payment of taxes or insurance causes the escrow account to reach a negative balance, and it may be necessary to perform more than one analysis during the year.

Can I waive my escrow account?

Escrow accounts are required and cannot be waived on FHA (Federal Housing Administration), GRH (Guaranteed Rural Housing) or VA (Veteran Affairs) loans.

Escrow accounts on other types of loans, such as Fannie Mae or Freddie Mac loans, may be waived if certain conditions are met. Some basic conditions to determine eligibility for escrow waivers are:

- The loan-to-value ratio of your loan must be 80 percent or less.
- There have not been any payments over 30 days late in the last 12 months.
- Loan is not in a Special Flood Hazard Area (SFHA).
- The loan cannot be in foreclosure, bankruptcy or loss mitigation.

Note: If all conditions are met on a loan with required flood insurance, all escrows may be waived with the exception of the flood insurance. Other conditions and requirements may apply; however, if the above conditions are met, please download the [Escrow Waiver Request Form](#) from flagstar.com/myloans, complete it, and fax or mail it as directed.

Please note that an escrow waiver fee equal to 0.25 percent of the current principal balance or \$150, whichever is greater, is charged. This fee will be charged unless not permitted by applicable state law.

Why do I have an escrow surplus?

A surplus is typically caused by a decrease in tax or insurance payments, but a surplus can also occur when too much has been collected for the escrow account in the previous year or at closing. It is possible to have a surplus, even if tax and insurance amounts have increased over the past year. When this occurs, the monthly escrow payment may still be increased to ensure there are enough funds to pay the increased taxes and insurance.

Note: If there is a minor surplus, instead of issuing a refund, the funds are used to reduce the monthly payment(s). The surplus is divided by the number of months starting with the "new payment due date" and ending after the month of the "low point" in the escrow account. The new escrow payment is reduced for this number of payments. Please refer to the Escrow Statement to determine if the surplus was retained in the escrow account.

Can you apply my surplus to my loan?

We refund escrow surpluses to the borrowers. Borrowers may cash their surplus check and use the funds in any manner they choose, including applying it to their loans.

When will I receive my escrow surplus check?

If the loan is current, the surplus check will be mailed 7 – 10 business days from when it was processed. If the loan is past due, a surplus refund check will be disbursed when the loan is current.

If you are in bankruptcy and the account is contractually current, the refund check will be mailed separately 7 – 10 days from when it was processed. However, if the account is past due, the escrow surplus check will be disbursed when the account is current.

Why didn't I receive my escrow surplus check?

If the loan was past due at the time the escrow analysis was performed, the escrow surplus check will be disbursed when the loan becomes current. If you have not received the escrow surplus check after you have brought the loan current, please contact the Customer Service Department.

What if my surplus check was lost or stolen?

If you lost the surplus check after receiving it or it was stolen, please contact the Customer Service Department so we can place a stop payment on the check and reissue.

Whom do I contact to update my loan with the correct tax amounts information?

Since we may already receive the tax information from the taxing authority, please call the Customer Service Department to discuss the information we may need from you.

My insurance carrier has changed. What do I do?

Please call the Insurance Department at (833) 811-3061. Representatives are available Monday - Friday 7:30 a.m.-8 p.m. ET.

Please refer to flagstar.com/myloans for a full list of Escrow FAQs.
